Join us for an evening of inspiration, fun and action!

We're so excited to be bringing WE Day Family to Vancouver on November 21, 2018! This event is all about the power your family has to change the world together. We've been empowering young people to transform communities at home and around the world for more than 20 years, and if there is one thing we know to be true, it's that raising caring and compassionate kids is a family affair. WE makes doing good, doable. We give families the motivation, inspiration and support to harness your individual talents to bond together around causes that matter.

At our inaugural Vancouver event, hear from inspirational speakers and performers who will bring to life our theme of "Get Doing"—the idea of building a brighter future and what happens when amazing families like yours come together to create change. Don't miss this incredible opportunity to experience the magic of WE Day alongside the children in your life at our first Vancouver event! You'll leave the event with tangible ideas to take action as a family and make a difference in your local and global community.

Our lineup includes:

Sarah McLachlan

Peter Mansbridge

Esera Tuaolo

Jessi Cruickshank
