Students in Grades K, and 1 will have a \$30 cost for school supplies which will be payable in school cash at the start of the school year. The school can purchase higher quality supplies with our bulk buying power.

Gr. 2 Students: Please purchase supplies after classroom teacher is decided

**\*Please adhere to the quantities listed above.**

Sending large packages of felt pens, pencil crayons, crayons, etc. leaves students with too many supplies to store, manage and organize.
